An early injury update for the Browns. Unless that changes, bowing out at Heinz Field for Ben Roethlisberger could be more painful than celebratory. Ben Roethlisberger's time to

throw of 2.28 seconds is faster than any other quarterback in the past five years — except Roethlisberger in 2020. The pregame celebration vibe continues for Roethlisberger, as it even includes former Steelers wide receivers Santonio Holmes and

Nate Washington. And they have been since long before he became a Super Bowl-winning QB.The Athletic's Zac Jackson has the full story here: This is a great illustration of just how one-sided the Steelers rush game is.

Salernitana have discovered some kind these days and have been profitable in registering their first win of the season of their final recreation towards Genoa in a 1-0

win. In opposition to Juventus they got here from 1-0 down to steer the sport 2-1 early within the second half however have been finally overwhelmed by the Outdated Woman

3-2 in what was an exciting encounter. Milan Duric scored the one objective of the sport within the second half to safe their first win in Italian high flight soccer.
